

Here's how you can help!

Over the past months DRBI has been working hard to address maintenance and repair issues that developed over 2 years of COVID-driven isolation and income loss. We've made great headway, thanks to the support of our generous donors, but there's still a lot to do. After upgrading 4 of our rental units we're now turning our focus to restoring the Sears' cottage, home to the founders of Desert Rose. If you would like to help out, you can do so in three ways:

1. **Directly help us buy the supplies we need** to get our facilities up and running. You can do this by clicking: [AMAZON WISHLIST](#) to access **DRBI: Restore Accommodations**. The wish list is a virtual shopping list facilitated by Amazon with urgent items showing at the top. Just add items to your cart and check out. The items will be delivered to us automatically and removed from the list.
2. **or Come donate your skills**. We need those with **painting, electrical, and general repair** skills. And for later events we will need **cooks, kitchen help** and **volunteer drivers**.
3. **or, Help us pay for upgrades by making a contribution to our general fund**: [CONTRIBUTE TO DRBI](#). Please select **"Click to make a directed donation"**, then select **"I would like this donation to go to a specific fund"**. Choose **"DRBI Needs YOUR Help"** from the drop-down options.

Thank you! Every contribution makes a difference.
